

ROTARIANS HONOR

GUSTIVE O. LARSON

The Rotary Club held a special lady's night meeting this week instead of the usual noon luncheon, the affair being given in honor of Gustive O. Larson, a member of the club for many years, who is leaving soon to become president of the L. D. S. Mission in Sweden.

A banquet was held at the hotel Escalante, with the Fellowship committee in charge and Paul Ward acting as master of ceremonies.

Wm. R. Palmer, President of the Parowan Stake, was the principle speaker, expressing appreciation for the work and services of Mr. Larson in the Church and community and lauding his qualifications for the new position he is accepting.

In behalf of the club Henry E. Petersen presented Mr. Larson with a past secretary's pin, Mr. Larson having held that position in the club for a period of seven years.

Excellent musical entertainment consisted of several violin solos by Roy L. Halversen, accompanied by Mrs. G. O. Larson.
