

## Summoned to Appear.

We were informed last week that Mr. Harry Bennett had entered suit against Dr. Middleton on account of the doctor's attitude in a certain scandal that has been current in the community for some mouths past, and wishing to get at the facts in the case, we took the opportunity that presented itself of asking Mr. Middleton in relation to the matter.

He informed us that while he was in Salt Lake City recently, summons was served on him signed by a Salt Lake attorney, citing him to appear before the district court of this judicial district to answer a complaint that would be filed within ten days of the date of the service of the summons. As fourteen or fifteen days had elapsed at the time of our interview since the summons had been served and no complaint had made its appearance the gentleman thinks the plaintiff has changed his mind.
