

Easterners want More Information

Brooklyn Eagle Wants Cuts of Cedar Breaks for Publication

The following copy of a letter received by the secretary of the Cedar City Commercial Club shows the interest the eastern tourist world is taking in Cedar Breaks and Cedar City:

Los Angeles & Salt Lake Railroad Company, Lund, Utah, Jan 11, 1921

Mr. Randall Jones, Cedar City, Utah

My Dear Sir:

I have a communication from our Mr. Hendricks dated New York, Jan. 3rd, requesting following information, which you may be able to give me if I may further impose on your time and good nature:

Will the hotel at Cedar be run on the European or American plan? What are the contemplated prices of meals and rooms?

We would like to have several more copies of the Iron County Record of Sept. 27th, 1918. (Giving cuts and description of Cedar Breaks) Also, could we obtain the cuts used in that issue to forward to Mr. Hendricks to be used in the Brooklyn Daily Eagle? They will be returned promptly. Can you advise present address of Mr. William Flanigan mentioned in the Record issue of Sept 27th, 1918? As you were in Denver and assisted greatly in placing Zion National Park on the "Park-to-Park Highway," can you advise me of the date this was made effective?

Certainly will appreciate the above information and hope it will not be asking too much.

Yours truly, J. W. Thomas
