

Charles R. Hunter Sells Interest In Garage Business

Charles R. Hunter has disposed of his interests in the Hunter Motor Sales Ford garage and agency, and will devote his entire time to the management of the Hunter Hardware and Furniture store.

Mr. Hunter sold his interests in the garage to Wm. R. Thorley, who has been a partner in the garage business with him for some time. Mr. Thorley will be the new manager of the garage, having taken over his duties yesterday.

Grant Hunt, who was a partner with Mr. Hunter and Mr. Thorley, will continue to hold his interest in the business, but will not be an active participant in the management of it.
