

First High School Graduation To Be Held May 14th

The First Graduation Exercises of the Cedar City High School will be held in the Public School Auditorium at 7:30 p.m. Thursday, May 14. Replacing the usual formal type of exercises, the program will include numbers representing various departments of the school, presented by members of the graduating class. The complete program will be found elsewhere in this issue.

Seventy-five students have completed their high school work and will receive diplomas from Heber M. Sevy, representing the Board of Education.

The students who will receive diplomas are as follows:
