

# Cedar City High School Graduation Exercises Held

---

Very pleasing commencement exercises were held by the Cedar City high school Thursday evening, with members of the graduating class presenting the entire program with the exception of the presentation of the graduates by Principal Ianthus Wright and acceptance of the graduates and presentation of diplomas by Superintendent of Schools N. J. Barlow.

Seventy-three students had completed their work in the high school and received their diplomas. Five of them, however, had previously been called into military service and the diplomas were presented to relatives at the exercises. The five young men who had completed their work in spite of being called into service were Carl Croft, Edward Grimm, R. G. Houston, Jim Holyoak and Earl Merryweather.

David Urie class president presided, with talks given by Paul Palmer, Milton Jones, Miss Donna Wright and Miss Adele Sevy. A plaque, to bear the names of school members entering military service, was presented to the school by the class with the presentation made by Miss Evelyn Arns.

Musical numbers included two overtures by the high school orchestra, lead by Roy L. Halversen in the absence of the high school music teacher A. B. Larson, who was ill; a violin solo by Robert Bradshaw, a flute solo by Miss Evelyn Kunz; and a song by the girls glee club. Invocation was by Olof Larson and benediction by Miss Dawn Ann Seaman.

A graduation dance followed the exercises.
