

## **GUSTIVE O. LARSON ARTICLE PUBLISHED IN "FUTURE"**

---

"Future," the publication of the United States Junior Chamber of Commerce, carried in its May issue a special article written by Gustive O. Larson, Director of the Cedar L. D. S. Institute of Religion.

The article, very interesting and timely, is entitled "Talk Takes Time" and deals with the public speaker who monopolizes the time at meetings and wastes the time of busy men.
