

Movie Concern To Film Picture On Cedar Mts.

G. R. Parry gives out the information that yesterday a group of Movie officials from the Metro-Goldwin-Mayer Motion Picture Corporation arrived in Cedar and will be taken onto the Cedar Mountains to select a location for the filming of a Western drama.

Mr. Parry states that there are a number of places that will be ideal for use in filming the play proposed and he has no doubt but that proper locations will be selected, and work on the picture commenced within a very short time.
