

# High School To Graduate Ninety-Eight Students

Ninety-eight students will graduate from the Cedar City high school Commencement Exercises to be held Friday evening, April 30th, Ianthus Wright, Principal, announces.

The address to the graduates will be delivered by Grant H. Redford, head of the English and Speech Department of the Branch Agricultural College. The theme of the exercises will be "Forward America," divided into two parts. The first, "Win America's Future" will include five short talks by members of the graduating class dealing with the practical contribution by the school. The second part, "Preservation of Democratic Culture," featuring demonstrations by students from the music, and dramatic departments.

Mr. Redford's address will deal with the students' place in the war effort.
