

PROMOTED TO RANK OF COMMANDER WITH NAVY

Morris Foster, brother of Mrs. Warren Buñoch, and who is a former Cedar City resident, was recently promoted to the rank of Commander with the United States Navy, according to word received in Cedar City this week.

Mr. Foster has served with the Navy for the past sixteen years, and during the war was with the submarine service, and participated with many of the nation's greatest sea activities against the navy, as well on many long and dangerous special assignments in which his submarine carried out lone missions.

He is now assigned to shipping duty between the states and the South Pacific.
