During the meeting, the club discussed the proposal that the Lions undertake a long-term development program at the city park north of Coal Creek. A committee, under the chairmanship of Ray Lindquist, will study the proposal along with the golf course development program, and report back to the club.

Honored guest at the meeting was Abe Larson, director of the Cedar City high school band. Pratt Bethers, principal of the school, and Gordon Christensen, president of the Chamber of Commerce, reported at the meeting on the accomplishments of the high school band.
