

# **Olaf Larson Returns From Swedish LDS Mission Field**

Olof Larson, son of Mr. and Mrs. Gustive O. Larson of Cedar City, returned last week from an L D S mission to Sweden.

Serving in the mission field for two years, Elder Larson expressed his pleasure at returning home. Although Olof's plans for the future have not been determined, he expects to continue his educational studies after visiting at home with his family and friends for a short time.

Olof left his studies at the University of Utah to fulfill his mission.
