Faith-promoting experiences: personal; other family member's experiences that affected you; circumstances surrounding your conversion to the Church: I am blessed to have Parents who tried to live close to the Lord Jesus Christ. My father went on a mission after he was married and had three children. My mother's father also went on a mission after he was married. As a result of these missionaries all five sons went on a mission. I am so grateful for this blessing in my life.

Health: record, including sicknesses, accidents & physical conditions. I have been blessed with good health most of my life. My appendix were removed when I was 12 years old. When I was about 13 years old I was helping haul loose hay and fell off and broke my left arm. Good health has been a blessing.

Home life: duties in the home; home activities; relationships with brothers & sisters; places lived; family trips and vacations; pets. Our home was one filled with many wonderful memories - My first five years we lived in Sandtown about 300 N. 450 W in St. George, Utah. When I was about six years old my parents bought a home at 238 South 200 East near the Temple. Dad was the Temple Custodian for about 25 years. With two older sisters and six younger brothers and sisters and in a neighborhood of children our age we had a great time playing together. The vacations I loved most (see back)

Hobbies & talents: musical, artistic, & creative abilities; lessons & workshops taken; things you like to do. Dad loved fishing and hunting deer so we did this a lot and I loved it. From the time I was 12 years old until Pres. Kimball said not to kill animals we don't need to eat (I was about 50 years old) deer hunting was my favorite sport.

Goals and plans: things to accomplish in business (vocation), home life, education, Church service. My goals and plans revolve around our family. To be a good husband, father and grandfather is what makes for a happy life.

Other incidents: include Church experiences and calls. The Lord had blessed me with the opportunity to work with youth. Most of my callings have been in Scouting and Parsonic priesthood. (over)  
Try not to leave anything out that will be important. Just attach additional sheets!

- Vacations Continued -  
were going to Cedar City, Utah. My grandma  
and grandpa Thomas and Rebecca Bullock had a big fun  
house and a big barn we loved to play in. The  
Parson and Evelyn Webster family live next door  
to the north on about 300 East 60 North. I don't remember  
the names of all the boys but Dan and Dick were  
close to David and my age. We had great times  
together. Each summer we would spend a  
week or two at Grandpa's Ranch on Cedar Mountain -  
over on what we called the plains. Just East  
of the Zion Gulch. We loved playing with each  
other and riding horses. Grandpa ran his  
sheep herd at this ranch in the summertime.  
My uncle Anthon and Marie Bullock's family  
still own the ranch.

### Church Callings.

It has been a blessing serving in the Church.  
As a young man I always had a calling in  
the Aaronic Priesthood. In the army in Germany  
my close friends and I always attended Church  
each Sunday. Then as a missionary in the  
West German Mission (Jan 1956 - July 1958) I was  
called to be a Zone leader and served in that position  
for two years in 3 or 4 zones. On returning home I  
was the Deacons Advisor and assistant Scoutmaster.

After our marriage I was in the Elders Quorum  
Pres. in Provo, UT. In Cedar City I have served in  
the Aaronic Priesthood and Scouting most of 40  
years. With callings as High Counselor 3 times.

(Twice in SUU stakes) 1st Counselor in a Bishopric  
and as Bishop in the SUU 4th Ward mid 1970.

Barbara and I have served four missions  
together. (Three Life Style Service missions teaching  
English in main land China and Proselyting mission in Bilbo
