Re: Letter of Support for Fiscal Incentive Grant application

Dear Roice,

I am aware that the Southwestern Heritage Center Historical Society is seeking funding for the proposed initial building, to house the Southwestern Heritage Center. The society is seeking a grant to kick this off.

Roice is a Cedar City native that came back with a lifetime of experience wanting to make a significant contribution to the community. With his interest in Cedar City's history, he wants to create a destination where people can participate in hands-on experiences tied to our southwestern heritage.

Cedar City supports the Southwestern Historical Society's grant application and the completion of the proposed project. This center will add so much to our community.

Sincerely,

A handwritten signature in black ink, appearing to read "Garth O. Green". The signature is fluid and cursive, with a large initial "G" and "O".
